## Designer apartments that tick every box

Whether you choose a 1, 2, or 3 bedroom layout, you'll enjoy comfortable living areas, large balconies and thoughtful design that maximises space, natural light and ventilation with the very best new appliances and modern conveniences.

- ✦ **Easy living.** Single storey, open-plan layouts for effortless living and low maintenance.
- ✦ **Naturally beautiful.** Flow-through design, large balconies, high ceilings and ideal aspects to maximise natural light, sea breezes and ocean, park or golf course views.
- ✦ **Modern conveniences.** Superb state-of-the-art kitchens complete with premium appliances including fridge, microwave and dishwasher and an internal laundry fitted with a washing machine and dryer. If necessary, we'll even repair or replace your appliances at no charge.
- ✦ **Plentiful storage.** We understand that if you're downsizing you need ample space for your favourite possessions, so we built in an abundance of storage, wardrobe and cupboard space.
- ✦ **Safe and secure.** Easy to use audio video intercom lets you see and hear who is at the door before you welcome them in. Emergency call buttons and a 24/7 live-in manager are added security.
- ✦ **Easy access.** Secure parking under the building, visitor parking and internal lifts with direct access to your apartment make it easy for you and your guests.
- ✦ **Superb location.** Enjoy beautiful landscaped grounds, amazing views, the neighbouring Coast Club Golf Course and direct access to Little Bay Beach just 200 metres away.
